Chris has very kindly agreed to continue all the hard work she does doing all our financial matters. Chris's work and support is very much appreciated by us all and she does a remarkable job.

AOCB

Hazel gave a catch up/ summary on a few different topics;

Pupil Equity Funding – the remaining funding left from this fund will be used to purchase LEGO BuildToExpress Kits. However the school would still be short of some kits meaning that not every child has one to themselves in class. It was agreed that the Parent Council would fund the extra kits needed.

Homework

The pupils were issued with various types of homework sheets/tasks in class to look over and comment on. Miss Mackie collated all the results/comments, and various other points will be looked at when the Homework Working Group gets together. Dates still to be organised for a meeting.

Internet Security

The subject of Internet security was brought up and how technology/internet and social media is changing so fast and children are gaining more and more access. It was suggested that the school organise an Internet Safety Workshop where parents/careers and pupils can attend and learn more about the likes of Snap Chat, Facebook, etc and how to try and keep the children safe. More details will follow if a workshop is to take place.

Playgroup Markings

It was commented the playgroup markings and benches are faded and need repainted. Hazel will look at costs of these.

Quiz Night

Angela to book the Keith Golf Club for Friday 29th September, TBC.

Angela, Fiona, Tracey to organise raffles, posters, etc at start of summer term.

Date of next meeting

The next Parent Council Meeting will follow the AGM which will be held on Wednesday 20th September 2017 at 7pm.
